Finance Graduate Programme

Based in London and Amsterdam

This is an opportunity to build your career within the world's largest international TV and broadband company. To gain end-to-end exposure across the whole of our Finance organisation. To have a voice, to share your ideas, to challenge how we work. Ultimately, this is about shaping our business as you grow invaluable skills.

We aim to be a world-leading finance organisation; striving for effective deployment and optimal returns on capital, delivering an effective control and planning framework, and driving our levered equity strategy. We believe we offer the best and most exciting finance career in the world. Lasting for three years, the programme will see you being supported through a fully-funded professional qualification (CIMA) and undertaking 6 or 12-month placements in a range of departments.

These could include:

- Accounting & Reporting
- Investor Relations
- Procurement
- Capital Allocation and Financial Planning
- Real Estate
- Tax
- Risk & Compliance
- Treasury & Corporate Finance
- Business Control
- Strategy, M&A and Content Investments
- Business Intelligence

You'll also take part in tailored training programmes covering leadership development as well as functional and technical expertise.

You'll need to be:

- Qualified with, or on course for, at least a 2:1 or equivalent
- Passionate about pursuing a career in Finance
- Someone who enjoys being challenged
- A natural leader, a big thinker – you can collaborate, analyse problems and come up with great ideas
- Driven, with the confidence and resilience to get things done
- Fluent in English with global mobility
- Eligible to work in the UK and EU

Benefits: Localised salary and benefits package

**Application deadlines for Finance: March 2018 start date – 5 November;
September 2018 start date – 14 January**
