## OUR BRAND PURPOSE AND DIFFERENTIATORS

To help businesses and communities thrive by advancing commerce and the financial world.

### We connect merchants, banks and capital markets

We use our scale to connect the value chain of commerce and banking and develop solutions that enable our clients to grow and reach new markets confidently.

### We innovate with purpose

We work to understand our clients' challenges to create secure and scalable innovations that modernize their businesses and position them for success today and in the future.

### We apply expertise and data-driven insights

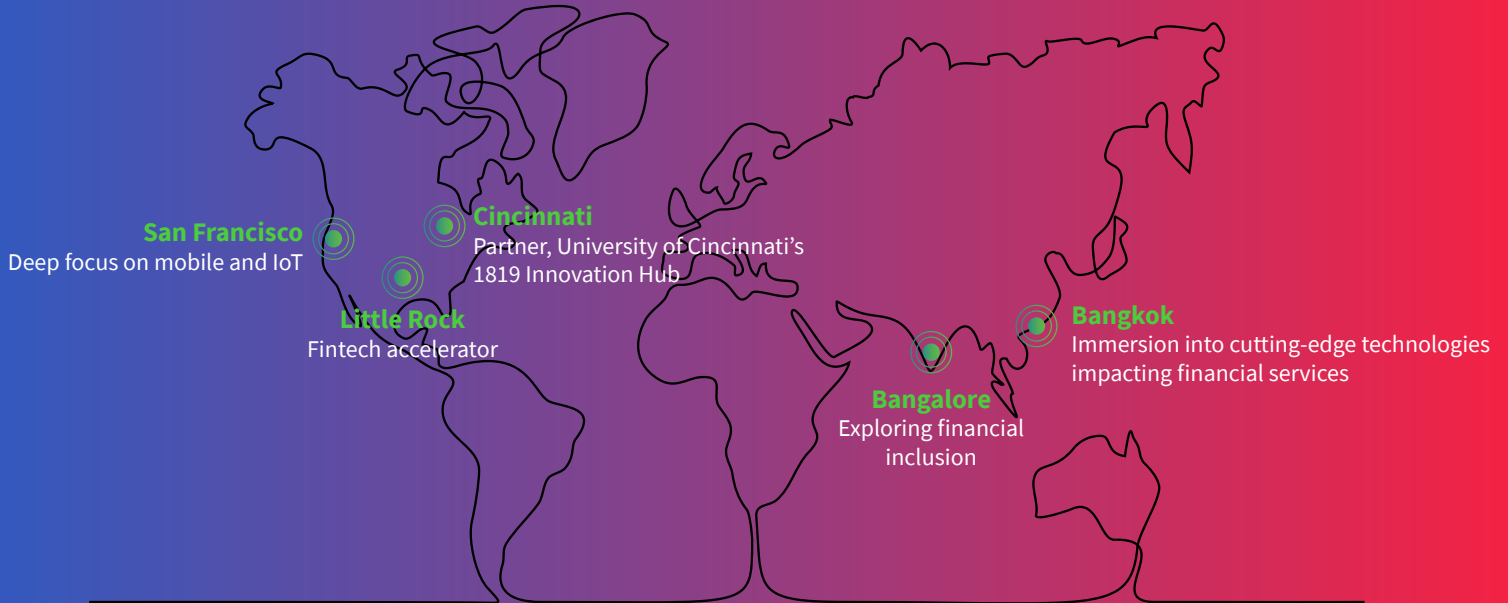

We work together with our clients to solve their challenges by bringing expertise and data-driven insights across geographies to create more connected commerce and financial world.

### We make experiences better

We create products and solutions that deliver simple, seamless and secure experiences for our clients and their customers.

# Fostering innovation and cutting-edge technology

At FIS, we foster the ideation and development of disruptive digital solutions that empower financial clients and commerce. Our iLabs are designed for idea sharing that shortens time-to-market on new applications. They further our efforts to create digital experiences that drive positive, rewarding relationships between merchants, financial institutions and their customers.

## Our impact to the community

We passionately and purposefully encourage a culture of giving back – to our clients, to our communities and to our own colleagues. Whether through financial donations or volunteer time, FIS and our employees support organizations across the globe. **The FIS Charitable Foundation** complements the donations and volunteer efforts of our employees by providing more than \$1.2 million annually in financial support to global charitable causes.
