

Empowering
the Financial World

FIS is the Technology that Moves the World's Money

You may not know our name, but you've most likely used our technology. Think mobile banking, how you paid for your last cup of coffee or the systems your bank uses to manage your assets. You use more of our technology than you may realize.

Encouraged to push boundaries, our employees are the ones who drive change across the industry. Curious, motivated, and forward-thinking, they introduce new digital technologies and business models to move the world ahead. At FIS, our employees are solving for the future. Today.

We want our employees to do interesting and meaningful work, build rewarding careers, have fun, and excel!

Navigating your career and development journey is made simpler with the Grow Your Own Career portal. We will provide you with the tools, guidance and support to help you develop the skills, knowledge and confidence to move your career forward – no matter its current stage.

Our Guiding Principles

Our passion is setting our clients up to succeed, each and everyday. At all levels of our organization, we are champions of our clients' mission. We operate with five guiding principles that align with our passion to help our clients move the world forward.

Build Trust In All We Do

We build our business and our relationships on a foundation of openness, honesty, reliability and integrity while incorporating a risk and security discipline into everything we do.

Inspire A Passion To Act

We embrace agility and speed as we break down barriers to drive our clients' business forward.

Foster An Entrepreneurial Spirit

We think big and act boldly to reinvent the financial world of tomorrow, seeing what's ahead so our clients can focus on what's hand. In turn, we create inspiring career opportunities for our employees.

Empower Employee Growth

We empower employees to grow every day. We develop talent and career aspirations by collectively building an environment of success that breaks down barriers, fosters collaboration and create new, bold possibilities of opportunity.

Encourage Giving Back

We passionately and purposefully encourage a culture of giving back – to our clients, to our communities and to our FIS employees – around the world to make a positive difference.

FIS Gives Back

Encouraging giving back is one of our guiding principles. We passionately and purposefully encourage a culture of giving back – to our clients, to our communities and to our own colleagues. Whether through financial donation or volunteer time, FIS and our employees support organizations across the globe. The FIS Charitable Foundation complements the donations and volunteer efforts of our employees by providing more than \$1.2 million annually in financial support to global charitable causes.

JOIN OUR JOURNEY AND EMPOWER THE FINANCIAL WORLD.
