Some highly engaging content over the past few days with the Cummins OnBoarding here in the UK. A huge thank you to the presenters for their time.

Amazing to see over 100 people participating with this event. Thank you [Ricardo Damon](#), [Charmaine Du'Verne](#) and [Guy Hughes](#)

Welcome week at [#Cummins](#): Being a part of a Global Power

Starting by thanking [Charmaine Du'Verne](#), [Guy Hughes](#) and [Ricardo Damon](#) for organising the 3-day virtual onboarding session. I feel well-informed about the company and take pride in being a part of it. Though the sessions were conducted online due to COVID-19 pandemic, I appreciate the 100+ interns from across the globe for their enthusiasm and commitment.

I'll have to see how well what I learned will transfer back to the job, but I'm confident that the training provided me with a lot of insight and necessary tools.

Lastly, I would like to thank [Ventsislava Shahanova](#), [Amy Chandler \(Jones\)](#), [Jack Geary](#) and the entire [#CumminsMarines](#) team for the warm welcome, making sure I am able to adjust to the work environment comfortably.
